

Parking is Easy in Downtown Mandan

Whether you're a first-time visitor, a local resident who enjoys all that downtown Mandan has to offer, a business operator or employee, we want to make your downtown experience even better. This brochure will help you locate where you can park and provides a few tips as well.

The map indicates time restrictions for on-street parking, lots open to the public, and lots with stalls available for monthly lease. There are also many parking lots adjacent to businesses, restaurants and other establishments for patrons only.

A courtesy ticket will be issued if you park overtime in a time-restricted area provided you don't have a violation in the previous 180 days. The courtesy ticket provides guidance on where to park in the future for extended stays. Time restrictions on parking will not be enforced during community celebrations including activities surrounding the Fourth of July.

Most parking stalls in public lots on the south side of Main Street are available for use free of charge. Please be aware of overnight restrictions in the public lots on alternate days of the week to allow for snow removal and maintenance.

If you work downtown and would like to lease a parking space, please contact the Mandan Police Department, phone 667-3455.
