

Mandan Airport Authority Seeking Appointee

Letters of interest due November 30, 2015

The Mandan City Commission will be considering appointments for one position to the Mandan Airport Authority for 5 year term, beginning January 1, 2016.

Members of the local business community and residents are encouraged to confirm their interest in serving on the Mandan Airport Authority with a letter summarizing their background and reasons for their interest. Letters should be submitted by 4:00 pm, November 30, 2015 to Jim Lawler, Mandan Municipal Airport at PO Box 250 Mandan, 58554 or by e-mail to manager@mandanairport.com. Individual interviews for the position may be conducted December 7, 2015, during the regular meeting of the Mandan Airport Authority.

The person would attend Mandan Airport Authority meetings to provide input, planning, and make decisions for the operation and maintenance of the facilities.

Stipend: No compensation, only expenses incurred in the discharge of duties.

The Mandan Airport Authority consists of five members. It would be helpful if persons interested in the position have knowledge of aviation but it is not required.

Current members of the Mandan Airport Authority are Chris Brown, Mike Braun, Lee Weinhandl, Marc Taylor and Mike Wagner.

The Mandan Airport Authority meetings are typically held six to nine times a year, normally Mondays, at 5:30 at the Mandan Municipal Airport.
