**Public Communication**

A scheduled time for public participation has been placed on the agenda at Mandan City Commission meetings. The Board desires to hear the viewpoints of citizens throughout the City. Individuals wishing to address the Board are encouraged to make arrangements with the Board President or the City Administrator prior to the meeting. Comments should be made to the Board and not to individuals in the audience and be related to City operations and programs. The Board will not hear personal complaints against any person connected with the City. If a citizen would like to add a topic to the agenda, arrangements must be made in advance with the City Administrator or Board President. The Board reserves the right to eliminate or restrict the time allowed for public participation. The Board requests that comments are limited to three (3) minutes or less. Groups of individuals addressing a common concern are asked to designate a spokesperson.
