

**AGENDA**  
**SPECIAL ASSESSMENT COMMISSION PUBLIC HEARING**  
**Wednesday, September 23, 2015 @ 5:30 p.m.**  
**“Bosh Froehlich Meeting Room”**  
**Mandan City Hall**

**A. Roll Call:**

1. Special Assessment Commission – Members Deborah Holter, Keith Winks and Chairman Jacobsen
2. City Officials – Engineering Project Manager Kim Fettig and Special Assessment Analyst Phyllis Hager

Chairman Jacobsen, the purpose of this Commission, according to the North Dakota Century Code, 40-23-07, is to determine the amount of benefit from the construction of each project and therefore assess these costs to each property. The public hearing is set to hear objections or to make corrections to assessments in error as published on the assessment list. Any challenges pertaining to defects in creating these districts are not subject matters to be handled by this commission as it is out of their authority.

**B. Consider approval of the September 2, 2015 Public Hearing minutes.**

**C. Public Hearing on the following district:**

1. **Amended Street Improvement District #176** (Lakewood 6<sup>th</sup> & Lakewood 7<sup>th</sup> Additions) The improvements for this project included asphalt street construction, installation of curb & gutter, storm sewer, street lights and chip seal on McKenzie Drive SE, Genoa Court SE and 34<sup>th</sup> Avenue SE within the Lakewood 6<sup>th</sup> and Lakewood 7<sup>th</sup> Additions.
