

MANDAN WEED BOARD  
MANDAN CITY HALL BUILDING  
VETERANS CONFERENCE ROOM  
September 24, 2015

The Mandan Weed Board met in the Veterans Conference Room on September 24, 2015, at 10:00 a.m. In attendance: Joe Camisa, Steve Nardello, Jeff Wright & Nancy Moser.

Andy Beck is not in attendance. Fire Chief Nardello removes Andy from the board due to other commitments.

Areas that need cutting and/or spraying are discussed. There are areas that are not easily cut. Joe is looking for clarification on his duties as the Code Enforcement Officer and how it pertains to weeds. ***Fire Chief Nardello thinks the enforcement of weeds should fall under Joe and motions to make Joe the Weed Officer. Jeff seconds. Upon vote, motion passes unanimously.***

Parks and Rec have the equipment, if they would be willing to make an agreement with the city on mowing and spraying, the city would not have to bid out the work every year. Joe will talk to Cole Higlin to see what he thinks of partnering with the city for mowing and spraying.

***Nancy motions Jeff as Chair of the Weed Board. Joe seconds. Upon vote, motion passes unanimously.***

***Jeff motions Mike Zerr (not in attendance) as Vice Chair of the Weed Board. Joe seconds. Upon vote, motion passes unanimously.***

***Jeff motions Nancy as Secretary and Treasurer of the Weed Board. Joe seconds. Upon vote, motion passes unanimously.***

Developers should be held responsible for leveling lots and stop weeds from getting out of hand. Can this be added to a developer's agreement?

Fire Chief Nardello suggests Joe look into joining the weed association or attending the annual conference.

It is suggested that beetles be used for those areas with more rugged terrain.

The board will meet again towards the end of October to discuss board member terms and the outcome of discussion with Parks and Rec.

Meeting adjourns at 10:50 a.m.
