

Safety and Wellness Policy

Approved 5/14/2020

The City of Mandan recognizes the safety, health, and well-being of our employees as a high priority and is committed to providing a safe and healthy work environment.

- The City is responsible for providing a workplace free of recognized hazards, along with the education and training of employees to eliminate or mitigate risks. The City will provide adequate and appropriate personal protective equipment.
- The City will encourage and promote the health and well-being of employees by sharing resources from our EAP and Wellness Program providers and offering training opportunities.
- All employees are required to observe a safe work environment, and follow city and departmental policies, rules, and procedures.
- All employees are required to report all injuries and unsafe work conditions immediately to their supervisor.
