MANDAN 3A PROJECT AREA

PROJECT DETAILS & UPDATE

The project received two favorable bids for this project, and Knife River Corporation (formerly known as Strata Corporation) was awarded the construction contract. Construction is scheduled to start in early May 2026 with an expected completion date of August 2026.

Construction on 48th Street NW and 37th Street NW will not begin until after Red Trail Elementary has been let out for the summer on May 22nd.

Based on bid prices, we don't anticipate any changes to the overall project cost.

WHO TO CONTACT

Moore Engineering Inc. is working with the City to provide on site inspection and project coordination. A Moore Engineering representative will be on site throughout the project and will be wearing an orange vest.

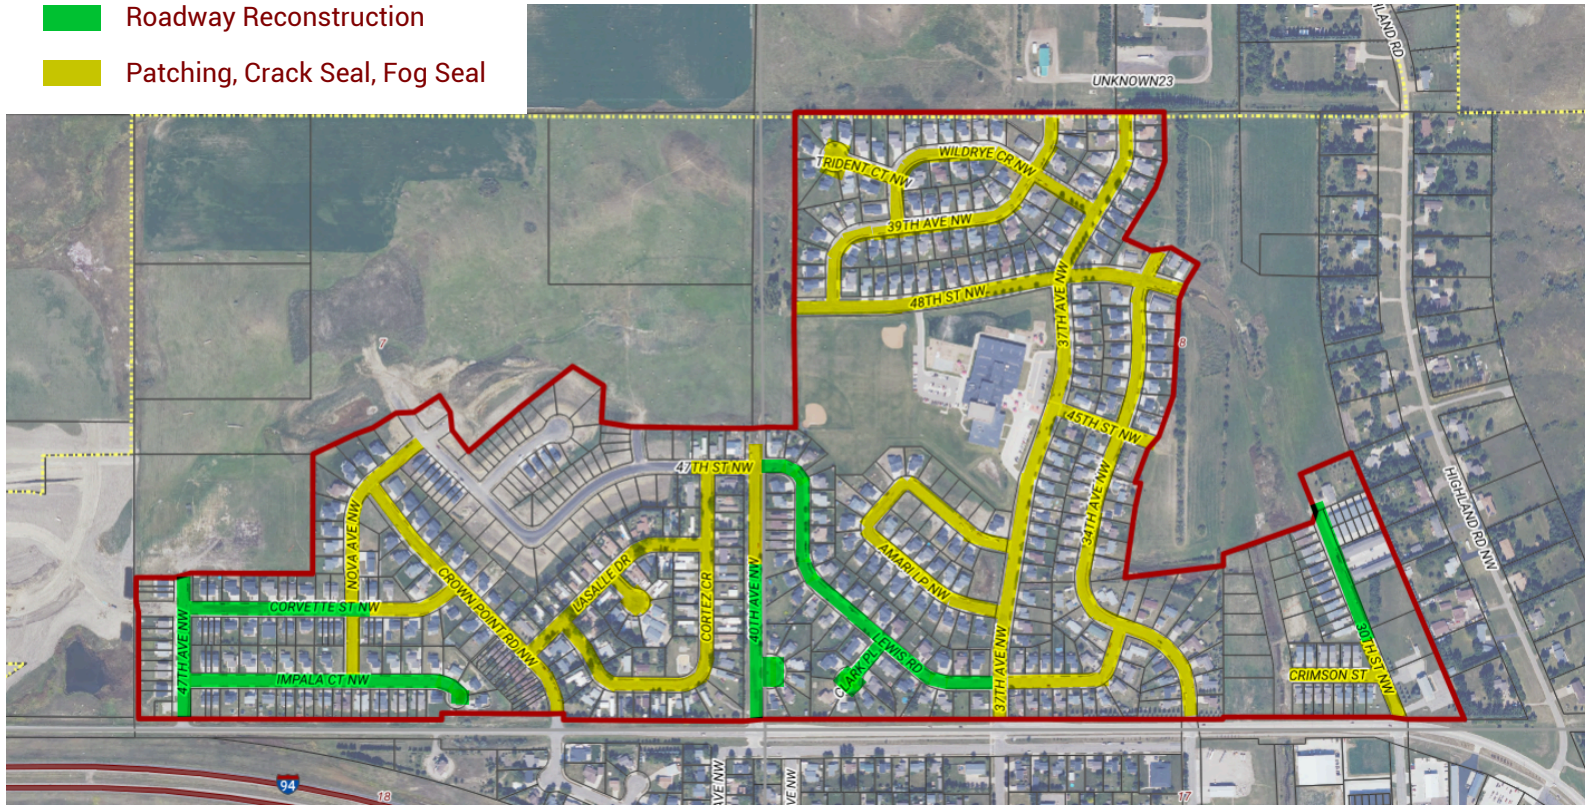

For questions, contact Clare Pankratz at Clare.Pankratz@mooreengineeringinc.com or 701-751-3820.

To learn more about this project, visit the project website at <https://arcg.is/e0vf01> or scan the QR code.

- Roadway Reconstruction
- Patching, Crack Seal, Fog Seal

WHAT TO EXPECT

Work Schedule

Construction work will typically take place Monday through Friday from 7 a.m. to 7 p.m. Occasional work will occur on Saturdays between 7 a.m. and 7 p.m.

Your Street

Areas marked above in Green will be fully reconstructed.
 Areas marked above in Yellow will have areas of patching and crack sealing.
 All marked streets will receive a fog seal.

Residential Access

Access to residences will be restored at the end of each working day (7 p.m.). Notices will be handed out to residences regarding any roadway closures.

Tree Trimming

Some trees within the project area require trimming to comply with Mandan City Ordinance Article 4 Sec. 115-4-7. Trees in need of trimming will be marked with pink ribbons two weeks before the contractor begins tree trimming. Residents will have the option to trim their trees before the contractor completes the work. If you have any questions, a tag with contact information will be attached to marked trees.
