

City of Mandan Right of way Permits

City Hall is open for contractors to come in and submit an application.

We are also accepting applications for Right of Way Permits in the following way:

Permit applications can be found on our cityofmandan.com website under Engineering Department

Permit application is a fillable form that you can fill out and email back to us at nmoser@cityofmandan.com or print and mail to us at 205 2nd Avenue NW, Mandan, ND 58554. Other option is to use drop box located on the north side of the City Hall building. From Second Avenue NW, enter the parking area between City Hall and Bethel Presbyterian Church. The box is to the left or on the driver's side.

Payment must be received before inspection can be scheduled unless other arrangements have been made with our office.

No work can begin until our office notifies you that application has been accepted. (Important to complete the application completely in order for us to process and contact you).
