

PARKING IS EASY IN DOWNTOWN MANDAN

Whether you're a first-time visitor, a local resident who enjoys all that downtown Mandan has to offer, a business operator or employee, we want to make your downtown experience even better. This brochure will help you locate various parking options.

The map indicates time restrictions for on-street parking, lots open to the public, and lots with stalls available for monthly lease. There are also many parking lots adjacent to businesses, restaurants and other establishments for patrons only.

Time restrictions on parking will not be enforced during community celebrations including activities surrounding the Fourth of July.

Most parking stalls in public lots on the south side of Main Street are available for use free of charge. Please be aware of overnight restrictions in the public lots on alternate days of the week to allow for snow removal and maintenance.

If you would like to check on availability of leasing a parking space in a public lot or discuss a parking idea or concern, please contact the Mandan Police Department, phone 667-3455. The Mandan Parking Authority helps provide guidance on parking policies and issues including enforcement, signing, maintenance and rental fees.

Changes ahead. Main Street will be improved in 2020, funded largely by the N.D. Department of Transportation Urban Grant Program. Main Street from 10th to Collins Ave will be reallocated from 4 to 3 lanes. About 50 parking spaces will be added on the south side of Main Street between 6th and Collins avenues. Curb extensions with streetscape enhancements on the north side of Main Street between 4th and Collins avenues will consume about 15 spaces. Engineers estimate a net gain of about 35 spaces.
